

## **Service Tech**

LaBolt Farmers Grain is seeking a Service Tech. This position will require the successful applicant to service and maintain our semi-truck/vehicle fleet. The successful applicant needs to be able to service and maintain airflows and self-propelled sprayers and be able to troubleshoot and repair other mechanical equipment. Work will be conducted on-site or via service truck. The successful applicant is required to possess good housekeeping, computer and record keeping skills. This position requires a Class A CDL with air brakes and tanker endorsements.

Health insurance, 401k and other programs are available and will be addressed during the interview process. Wage is based on experience. This position is subject to drug and alcohol testing prior to employment and random testing during employment.
